## WE PLEDGE TO...

We dedicate 10% of gross revenues from the CAVU Money Market Fund Share Classes and the Capital Markets DCM business to our Impact Partners. This pledge goes beyond a financial commitment—it reflects our core values and the reason so many clients choose to work with us. We take pride in aligning investors' financial goals with meaningful change.

Our donations focus on key areas such as education, transitional support for veterans, adult disabilities, and more. We publish an Annual Impact Report that details our gross revenue, total pledge contributions, and funds distributed. This report can be found at [www.cavusecurities.com/impact](http://www.cavusecurities.com/impact)
