

CAVU MONEY MARKET FUNDS

The CAVU Share Classes of Invesco portfolios enable institutional investors to manage liquidity while also advancing diversity and ESG goals. CAVU Share Classes are available in the Invesco Treasury Portfolio, Invesco Government & Agency Portfolio, and the Invesco Liquid Assets Portfolio categories.

These CAVU Share Classes deliver the benefits of impact investing along with premiere fund management, transparency, and market presence. They are intended to generate competitive returns and positive social impact in line with CAVU's dual mission of supporting diversity in financial markets and providing training, mentorship, opportunities, and employment for veterans and minorities.

The CAVU Share Classes deliver:

- Access to best-in-class money market funds through proprietary share classes
- Cash sweeps on leading portals
- Direct investment
- Portfolio Credit Ratings A-1+ – 100%
